PURPOSE:

Shattuck-St. Mary's is seeking a Spanish instructor for the 2024-25 school year. Candidates should be able to teach all levels of Spanish. Candidates with the ability to teach in other disciplines or languages are strongly encouraged to apply.

Ideal candidates will have a strong interest in working with students in grades 6 – 12 and be happy in a small school where collaboration, connection, and community come first. World Language classes at SSM are often multi-age as students join our school at different points in their language instruction; therefore, candidates should be prepared to teach students in different grade levels in the same classroom. Candidates will be comfortable instructing in an innovative educational environment, familiar with technology in the classroom, and open to blended teaching. In addition, the World Language Department is looking for a collegial team player to work with other members of the department in regular meetings and collaborative projects.

Shattuck St. Mary's School is a boarding/day school and faculty members are expected to be involved with both co-curricular activities and standard residential life duties involved with a boarding school setting.

In support of its pursuit of academic and scholarly excellence, Shattuck-St. Mary's School is committed to creating a diverse community of students, faculty, and staff that is dedicated to the fundamental principles of equal opportunity treatment in education and employment regardless of age, color, disability, gender identity, national origin, political ideology, race, religion, sex, sexual orientation, or veteran status.
